FOREWORD

This booklet is the yearly publication of the Association of the Alumnae and Former Students of Sweet Briar College, and to say the least it is a remarkable book. No member of the Association feels it her duty to notify the Secretary of changes in address or name, and yet she is quite insulted when she sees her spinster name or is enraged when the mail carrier can't find her at the unknown new address. For the past two years the person in charge of the publication has found the work too arduous to finish, and that task has to be carried out by another. This present publication represents a week's work spent in the compiling of another's list of news, scribbled on scraps of paper. As such, spare your criticism and get to work with the news you know.

Lastly, this handbook is unique because it is always in demand. Numerous letters come to us saying that we have never received one. The usual answer is, Pay your dues.

So to all those who so kindly withheld all the news and helped make this publication impossible, we hereby register our complaints, hoping that the 1922 volume will be so full of news that we will have to enlarge its size.

ALUMNI MEETING, 1920.

The annual meeting of the Association of Alumnae and Former Students was held at Sweet Briar on May 29, 1920, with Miss Ann Schutte presiding in the absence of the President. Mr. John C. Brown,

head of the publicity of Sweet Briar campaign, spoke to the Alumnae about the progress of the drive. He said that successful campaigns had already been held in the larger cities of Virginia and some of the smaller towns. In Virginia the total amount raised would be between ninety and one hundred thousand. Good campaign organization was under way in Cleveland, Cincinnati, Washington and Chicago, and in each city he hoped for encouraging results.

By the method already employed in the campaign he showed that only a few cities would be canvassed and many friends of the college would never be reached. In order to give these people an opportunity to help, a new plan had been made—to get every Sweet Briar girl to get or give \$250.00. He showed us how easily the \$500,000.00 could be secured if every alumnae would accept this challenge. Counting the one hundred thousand already raised and \$150,000.00 a possible gift from the Rockefeller Foundation to total \$250.00, an alumna body of 1,800 ought to be able to secure a like amount.

At the close of Mr. Brown's talk the regular business of the meeting was begun. Both the report of Secretary and Treasurer were accepted. The Secretary then read the report of three committees, the dining room committee, committee to secure Miss Benedict's permission to have her portrait painted and presented to the college, Committee on Finance. All three reports were accepted. A question was asked about the continued practice of selling food in the dining room. Miss Johnston of class of 1920 explained that the students found it more convenient to buy the luxuries in the dining room which the refectory could not afford to put on the table, than

to buy elsewhere. Therefore the alumnae did not deem it necessary to appoint a committee to investigate. It was moved that Miss Nan Powell be appointed head of a committee to try again to secure Miss Benedict's permission to have her portrait painted and given to the college. The Alumnae feel that there should be some lasting tribute to the work of the first President, and therefore the committee should use every means possible to secure her permission.

The question of keeping our Endowment Fund money or giving it in to the Campaign at end of five years. Miss McVey explained that as the money came into Mr. Dew's office it was put into six per cent mortgages of \$1,000.00 denomination. As our money was invested in the same manner as the Campaign money, the matter of what we should do with it has solved itself.

The Secretary read the following amendment to the Constitution: "The officers of the Association shall be Alumnae, and not more than two members of the Executive Committee shall be former students." This amendment was passed at the meeting in 1919, but in accordance with Article VII of the Constitution it has to be passed on this year before it can go into effect. It was moved and seconded that this amendment wait until after the officers are elected, and in this way the making of a new list of nominees would not be necessary.

Elections were held and the following officers elected.

The officers for the year 1920 are:

President—Margaret McVey.

Vice President—Grace MacBain.

Secretary—Cornelia Carroll.

Treasurer—Julia Barber.

Executive Committee—Eugenia Buffington Wolcott, '13; Louise R. George, Hildegarde Story, Louise Case, '18.

The President was instructed by the Association to bring before the Board of Trustees the matter of the ownership of the Tea House and Book Shop, and to make every effort to secure permission of the Board to permit the Alumnae to manage both of them for the interest of the scholarship fund.

The discussion of the amendment was postponed to a later date.

As there was no further business to be brought before the Association, the meeting adjourned.

Respectfully submitted,

MARGARET McVEY, Secretary

A meeting of the Association of Alumnae and Former Students was held. The reading of the minutes of the recent meeting was omitted in order to give more time to the business on hand. The proposed amendment that the officers of the Association shall be Alumnae and not more than two members of the Executive Committee shall be former students. This amendment was passed, being the second time that this amendment had been passed, therefore has become a part of the Constitution.

It was moved and seconded that the President be instructed to write to the new President of Sweet Briar dramatics that the Alumnae Association regretted that there was no Final Play. While the

Alumnae planned to make its play an event of Finals, but they hoped that it would in no way interfere with the Final Play, which is one of Sweet Briar's traditions, and as such must be cherished.

Miss Powell moved that a letter be sent to the President of the Sweet Briar Student Government Association calling her attention to the fact that Student Government had been in force ever since the opening of Sweet Briar, and that the ideals for which they had striven since the beginning of Student Government should be upheld and strengthened.

As there was no further business to come before the Association, the meeting adjourned.

Respectfully submitted,

MARGARET McVEY, Secretary.

MEETING OF ALUMNAE AND FORMER STUDENTS OF SWEET BRIAR COLLEGE

The annual meeting of Alumnae and Former Students of Sweet Briar College was held at the college, June 4, 1921, President Margaret McVey presiding. The meeting being called to order, the attention of the body was turned to the hearing and passing upon of reports.

The minutes of the 1920 meeting, followed by the Treasurer's report, were read and accepted. The President gave her report on the progress of the Association for the year 1920-21, and extended a cordial welcome to the members of the class of 1921. The report was accepted and Miss Jane Henderson reported on the Final Play. Because of the failure of the committee in charge to act, the play had to be

abandoned. The matter was then placed in Miss Henderson's hands and she put forth every effort in an attempt to make the play a possibility. Owing, however, to the late date, it was impossible to reach enough Alumnae who could be at Sweet Briar and take part in the performance.

A discussion of the Alumnae Handbook followed. It was reported as impossible for the handbook to be issued in June this year, but a motion was made and carried to the effect that hereafter the handbook be issued in June instead of in the fall. Also a motion was made and accepted that handbooks should be on sale at the Sweet Briar bookshop at the price of 35 cents apiece.

On the question of dues, the body decided that Alumnae Association dues should be payable on January first and that the custom should be continued of not sending handbooks to persons whose dues have not been paid for three years. The Treasurer made an appeal to the members to pay their dues promptly, and the President asked that new names and addresses be sent to the officers. It was explained that life membership was possible to any one on the payment of \$25.00. Discussion was raised about helping the Treasurer to stir up people to pay dues. As no agreement was reached at the time, a motion was made and accepted for the new and retiring Treasurers to meet with a committee appointed by the President to devise some plan to help the Treasurer collect the dues.

Miss McVey brought up the question of the disposal of the \$1,000.00 Liberty Bond belonging to the Association. After discussion as to whether the bond

should be kept or turned over to the Endowment Fund, a motion was made and carried that the \$1,000.00 Liberty Bond be turned over to the Endowment Fund. Another motion followed the above to the effect that each year the Executive Committee turn over to the Endowment Fund as much money as possible from the funds which remain over and above the current expenses of the Association.

Miss McVey read a letter from Dr. O. L. Hatcher, President of the Membership Committee of the Southern Women's Educational Alliance, inviting the Sweet Briar Alumnae Association to join the Alliance. The Alliance gives vocational information and advice to college alumnae, and a charge of \$5.00 annually is made for membership. It was moved and carried that the Sweet Briar Alumnae Association should become a member of the Alliance.

The resignation of Cornelia Carroll, Secretary, and of Julia Barber, Treasurer, were read and accepted. Nominations for new Secretary and Treasurer were made and accepted and elections followed. The results were: Treasurer, Rosanne Gilmore, and Secretary, Mary Taylor.

No further business being brought forward, the meeting adjourned.

MARY R. TAYLOR, '21, Secretary.

MEETING OF THE EXECUTIVE COMMITTEE, JUNE 4, 1921.

A meeting of the Executive Committee was called to discuss the amount to be given to the Endowment Fund from the Alumnae Association.

After the expenses of the year have been paid

there would remain in the treasury approximately \$800.00. A motion was made and carried to give \$500.00 of this \$800.00 to the Endowment Fund at the same time that the \$1,000.00 Liberty Bond should be turned over to the fund.

On the question of the girls helping the Treasurer to collect the dues, the Treasurer and committee came to the decision that in each city where there are more than ten alumnae residing, a girl should be appointed to assist the Treasurer. This girl is to be responsible for helping to get the girls in that city to pay their dues, and a written report must be submitted by each of these assistants.

ANNUAL STATEMENT OF THE PRESIDENT OF THE ALUMNAE ASSOCIATION.

The following is the report read by the President at the annual meeting of the Alumnae and Former Students at Sweet Briar in June:

The work of the Association during the past year does not seem to be very great or important; therefore we want every member to plan to do her share to make this body more influential in the life of the college.

Foremost among our interests has been the work done by the Alumnae in the Endowment Campaign. Instances of the work could be recited indefinitely, and as an association I feel we should thank them individually and strive for greater interest in the future.

Through the efforts of our Treasurer, amendment to Article VI, dealing with the members who had not paid their dues, was put into effect. Three types of

bill heads were used, informing the members when they had last paid their dues. This brought unhoped-for results; 592 members are on the active list, about one-third of the alumnae and former students. By active members we mean those who have paid their dues during the last three years.

At the November meeting of the Board of Trustees I was present and feel it was a great privilege to meet with the Board and hear their plans for the college. In spite of almost insuperable difficulties, the college was holding its own financially. This of course was accomplished only by the most careful management.

The Endowment Fund, although slow of growth, had reached the amount of \$109,000.00, and every effort was being made to measure up to the requirements of the Southern Association of College Women.

In accordance with your wishes, the matter of Tea House management was brought to the attention of the Board. In Miss McVea's report to the trustees the income from Tea House was placed at \$4,000.00 a year. This sum furnished seven scholarships and left a good sum for the Endowment Fund. You can readily see how willing the Board would be to change the management of this institution. They listened to our proposition and seemed glad that the Alumnae wanted to have an active interest at Sweet Briar, but could not feel that in the face of present financial difficulties such a change could be made. Miss McVea appointed Mrs. Janetta Fitzhugh Evans head of the Tea House committee, thus giving the Alumnae a vote in its management.

The Association now has a member of the Board of Trustees. In addition to the President of the Alumnae, who is present at the meetings, Mrs. Eugenia Griffin Burnett, '10, is a trustee with full authority to vote in all their deliberations. We can not feel too proud that the Board has chosen one of our members, and we wish to compliment them on their choice. This is a great stride forward for the Association, and will no doubt bring great results.

Sweet Briar is now a member of the Association of Colleges of the Southern States, and since the merger of the two associations a member of the Association of American Colleges. This not only means that we have gained the goal for which we have been striving, but it means much to the individual alumnae who may now be admitted to the Women's University clubs. This, however, does not apply to the Southern States, where the class of 1921 alone is eligible, and all former graduates will have to await further decisions.

I would like to mention a few of the things that this Association must do in order to grow:

Local chapters must be established and interest in Sweet Briar kept alive. This applies to everyone here. If there is no chapter in your community, organize and write us about it. We are depending on you for this work.

Keep Sweet Briar's need of endowment before you and work in the Association and out of it to secure the larger endowment necessary to make Sweet Briar the college you want it to be.

Lastly, give us, the officers of the Association, your co-operation in all its work and make this body worthy of your Alma Mater.

Respectfully submitted,

MARGARET McVEY, President.

OUR ALUMNAE ENDOWMENT FUND.

Where is the Alumnae money going? This is a question we are now proud to answer. The Association is endowing a chair, and we can have a vote in the naming of this chair. At the meeting in June the \$1,500.00 we had raised was turned over to this fund. This is a small beginning, but at least a start. Please note that this does not take any money from the general fund which Mr. Dew handles. This applies only to the money sent into the endowment fund through the Association.

What part are you going to have in the endowing of this chair?

Send the money your chapter is raising to this fund.

TO THE ALUMNAE AND FORMER STUDENTS OF SWEET BRIAR COLLEGE, 1921.

The year that has passed has brought about developments at Sweet Briar in which all of you will be deeply interested. First of all, Sweet Briar was recognized last December by the accrediting agency of the South, the Association of Colleges in the Southern States, as a standard college in every way. The action of the association was of special importance to us at the time, because on the basis of this recognition the graduates of the college became in March eligible to membership in the American Association of University Women, the new name of the Association of Collegiate Alumnae. I wish that all Sweet Briar graduates might have been present at the large and inspiring meeting held in Washington

in March, when the Southern Association of College Women and the Association of Collegiate Alumnae united to form the American Association of University Women. The new association is an integral part of an international organization which plans to use the influence of college and university women all over the world to elevate scholarship and to promote friendship and good will among the women of all nations. Sweet Briar is happy to have a part in such a program. You will probably also like to know that the President of Sweet Briar was appointed a delegate to the International Association of University Women, which is to meet in Switzerland during the summer of 1922.

Our endowment fund is increasing slowly, but payments on the pledges recently have not been prompt. I wish every Sweet Briar girl could realize the immediate need for this fund, and would respond at once to the due bills sent out from the office. Times are hard, but surely when we hear of the wonderful success of Holyoke, Smith and Wellesley and of what former students have pledged and paid to the endowment funds of those colleges, we will see to it that Sweet Briar girls do not fail in making good their pledges.

Our new library, the Y. W. hut transformed and the gift of the Y. W. C. A. and of the faculty, although simple in the extreme outwardly, is lovely within and adequate to our present needs. It is sunny, cheerful and quiet, and provides not only dignified housing for our books, but a delightful place for study. The new wrought iron gates, presented by the faculty, form a beautiful approach to

the college and give a most pleasing first impression.

Our greatest immediate needs are another dormitory and an administration building. We are obliged to refuse many students from lack of space, and our offices are now unbearably crowded. Notwithstanding these things, however, Sweet Briar is progressing rapidly and is justifying entirely your belief and your pride in your college.

Faithfully yours,

EMILIE WATTS McVEA.

NEWS FROM SWEET BRIAR.

Great changes have been made in the Student Government Association during the past year. Now they have abolished the dread serious and semi-serious reports. You begin at once to wonder how they work it, but the girls are individually responsible not to make noise, and there is no proctor to do all the shushing. The only punishments are honorable dismissal or expulsion, but as these sentences are only meted out for very flagrant violations of the S. G. A. rules, we hardly need talk about them.

The Student Government again has charge of permission to have men at the college, and a new privilege has been granted them in having supervision over the dancing in the Gym on Saturday nights.

The Y. W. C. A. at Sweet Briar has been gaining ground steadily by making the students feel that it means something worth while in the life of the college. Because of the greater interest in this Association, they have been able to accomplish more for the surrounding country side. From a beginning

in the work at the Indian Mission and the Poor House, the Extension Committee now helps the Colwell School and the Amherst Red Cross Nurse.

The Athletic Association should be written in capital letters after turning out a hockey team which won the championship of the State. If all the alumnae had seen any of the games their interest in Sweet Briar would have taken on new life. A great deal of the success of the team was due to the admirable coaching of Miss Gascoigne, and it is with deep regret that we learn that she is no longer at college.

Every sport seems to have grown in a remarkable way. Horseback riding, hiking and water sports are more popular than ever, due no doubt to the enthusiasm of the various sport leaders.

The Dramatic Association is now able to produce much more finished plays, as they have a real coach who has not only played in several Broadway hits, but is a playwright besides. Sweet Briar is indeed fortunate to have Mr. Robert Dempster, the author of the new play, Brittie, to assist them in their dramatic work. During the session of 1920-21 he gave private lessons to any girls desiring to take them, and these proved a great help to the dramatic work.

The Alumnae Association is very proud of the progress of these various activities of the college, and we are glad that the girls of 1921 are carrying on the work which some of us started in a very feeble way. Keep the work up and we will back you at every step.

FINALS, 1920.

Commencement week at Sweet Briar was a great event for the Alumnae. As early as Monday before the graduation exercises fifteen old girls returned to give the first Alumnae Play since 1916. Martha Darden was selected chairman of the play, and it was due to her leadership that a creditable performance of "The Rainbow," by A. E. Thomas, was given. The three principal parts—Neil Sumner, Ruth Sumner and Cynthia Sumner—were done by Ellen Hayes, Grace MacBain and Martha Darden. Further comment on the acting of these old-time stars would be superfluous. Jane Henderson, as Mr. John Carpenter Gilmore, scored the biggest hit of the play by her inimitable portrayal of the Consul under orders to make a speech. The rest of the cast gave excellent support to the leads, and, considering that the performers had only a few days in which to practice, they are to be congratulated. With Martha Darden again in charge, the Alumnae will stage another triumph in 1921. The faculty gave a progressive banquet to the Alumnae. This was a most enjoyable occasion, for the old girls had the chance to see their old friends in the faculty once more and to become acquainted with the new professors. Miss McVea took advantage of the reunion of 1910 to have a reminiscence party. To all lovers of Sweet Briar it was a treat to hear Dr. Harley, Miss Young, Miss Sparrow and the members of 1910 tell of their first impressions of our Alma Mater.

To the class of 1910, Sweet Briar's first class, the Association would like to give the highest praise. Four out of the six members were back for the re-

union, and were always ready with their help and advice. One member of the class of 1915 and a good proportion of 1919 returned. It's up to classes 1911, '16 and '20 to beat their record.

Finals 1910 were a great success, but let us old girls get together to make a real commencement for the thirty-odd graduates of this year. We know you are proud of them, but come, show them you are.

Get busy, 1911, 1916, 1920.

FINALS, 1921.

The Finals of this year will be remembered for the large number of Alumnae and old girls back for the week. Nearly thirty girls were there, and this is an unusually large number, considering the fact that there was no Alumnae play. The officers of the Association regret that an unavoidable delay on the part of the chairman of the play resulted in no Alumnae theatrical. We can do no more than promise better for the future.

Saturday morning the Alumnae meeting was held. The attendance was so large that one of the large class-rooms was overcrowded. Read the minutes of the meeting printed in the front of the booklet and see what your Association is doing.

Following the meeting we were all invited to luncheon with Miss McVea at the Tea House. We were so glad to be there to hear from Miss McVea the progress of the College. She had just returned from the Centennial Celebration at the University of Virginia, where Sweet Briar had been presented a bronze medal in commemoration of the hundredth anniversary of the founding of the University. The

University presented one hundred and fifty of these medals to the various institutions of learning throughout the country to promote more friendly relations among them. We were proud to be considered among the eligible one hundred and fifty. The president spoke of the various improvements at Sweet Briar and its need for larger equipment as the lists for 1922-3 registration were rapidly closing. Of especial interest to the Alumnae was the plan that the funds raised by the Association go to the founding of a chair. This would give us some definite thing to strive for and something which we could be proud to consider as ours. In this fund the \$13,000 raised by the students and Alumnae in 1914-15, together with the Book Shop and Tea House funds would help us secure the necessary amount. Please remember our goal—a chair at Sweet Briar which we can help to name.

The rain on Saturday night postponed the play until Monday and, of course, great was the disappointment at having to wait another night to see a real man, Mr. Robert Dempster, in a Sweet Briar play. The gap in the program was admirably filled by Miss Betty Booker of Charlottesville, who gave us a delightful concert. Miss Booker has spent a great part of her life in London, where she was in opera, so Sweet Briar was indeed fortunate to have her sing.

The Rev. Arthur Kinsolving of St. Paul's, Baltimore, gave the Baccalaureate Sermon on Sunday morning.

Step Singing on Sunday Afternoon is a real ceremony now. The College is too large for the Acad-

emic step, so now the quadrangle in front of the Refectory is used, the Seniors having the place of honor on the Refectory steps. At the close of the singing, the mighty Seniors move off and the Juniors take their places after the Junior president dons the Cap and Gown. By the way, the singing is a lot better than in the bygone days.

Monday morning Lake Day was held and the College has a right to be proud of its aquatic sports. Canoe races, tub races, and candle races added much to make this Lake Day a huge success. Special mention should be made of the diving contest. It took the old Alumnae back to the days when Clare Erck, Forby, and Mary Martha Armstrong did such splendid work. There were six girls who did six dives. Miss Thomasine Rose of Pittsburg won the diving event. She also secured the largest number of points in Lake Day carrying the Freshman class to victory. Great things are to be expected of 1924.

The Faculty gave all the visitors and Seniors a grand luncheon in the gardens of Sweet Briar House. No place can be as lovely and you need only to have been there to have understood just how much everyone enjoyed that party in the old garden.

Class Day was very impressive. Just imagine thirty-three girls to imitate and take off. I'm glad when I was a Soph it was not the style to have so many Seniors. But Sophs are always capable of putting anything over, and it was funny, but not so personal that even our old girl from 1906 could not understand. The Seniors still bury some of their pet studies, peeves, but it rejuvenates us old Alums to see one bury a little fish, the Friday

night supper dish. It reminded us of the stewed tomatoes and grits which usually were very much in evidence at Class Day exercises. You can see the same old spirit even if it takes different forms.

Paint and Patches still holds the same sway and can always have eager crowds pushing and shoving for the front rows. This year they presented *Prunella* by Granville Barker, a play dearly beloved by the class of 1918 when Grace MacBain as Pierre showed the College that we had a real hero. Mr. Robert Dempster, an actor, who is to be Mae Marsh's leading man in a play next winter took the part of Pierrot and also coached the play. It goes without saying that Mr. Dempster was all that a Pierrot could be and he also showed us how an amateur play could be made a gorgeous scenic success. Instead of using the dell for an outdoor play, the side of the garden near the Tea House was used and seats were built up almost to the road. A real house was built and the wonderful old trees were more beautiful with paper flowers. This formed *Prunella's* garden. Frances Simpson played the part of *Prunella* with such child-like innocence that she won immediate response. To speak of the many characters in detail would fill our little booklet, but the Alumnae who were fortunate enough to see this splendid production wish to show the others just how much they missed.

At the Commencement on Tuesday thirty-three girls received their degrees, five of whom had the degree of B. S. conferred upon them. This is the largest class Sweet Briar has ever graduated and it is with extreme pleasure the Alumnae welcome the

class of 1921 into the Association, realizing what strength they will add to our numbers. The Commencement address was made by Dr. Thompson, the father of Miriam Thompson, a member of the Senior Class.

This ended the celebrations of 1921. We are indeed pleased at the large showing the Alumnae made, but we can make a still better one if you try to come next year.

REUNIONS.

Attention, Classes 1921, 1917, 1912 !

The above-mentioned Classes are to hold formal reunions in June, 1922. Begin to plan now for the first week in June and you will hear more definite plans from your Class President. Miss Jane Henderson, 1917, will have charge of the Alumnae play and we are endeavoring to have many of the old-time stars back. This invitation is for every old girl, not only for the classes who are to hold formal reunions. We promise a good time, plenty of old girls, and lots of room for all. Write the Secretary of the Association for particulars and secure reservations through her.

We are expecting you.

SWEET BRIAR REPRESENTED AT MEETING IN HONOR OF MADAME CURIE.

Sweet Briar was well represented on May 18 at the meeting held in Carnegie Hall for the reception of Madame Marie Curie. The box reserved for the College was decorated with Sweet Briar colors and a seal. The representatives were members of the

Faculty, and graduates, among them were: Miss Charlotte Kendall Hull, now of New York and Sweet Briar; Dr. Elizabeth Franke, 1913; Mrs. Margaret Grant Marsh, 1915; Mary Reed, 1918; Florence Freeman, 1919.

IRON GATE PRESENTED TO THE COLLEGE.

A wrought-iron gateway now guards the entrance to Sweet Briar and gives the newcomer a fine first impression. This is the gift of the Faculty to the College. During the recent struggle for endowment the Faculty showed themselves more than generous and in all the campaigns at College they have always lent a willing hand. The Alumnae Association wishes to express their thanks and we beg to hold you up as an example to all our old girls who seem to think they have done enough for their Alma Mater.

We haven't measured up with the gift of the Faculty! What's the matter?

OF ESPECIAL INTEREST TO CLASS 1918.

Our tree, the big old oak, is being protected and beautified. The circular plot around the tree is now surrounded by a curbstone of concrete. One can not imagine the improvement it makes to see a plot of green grass underneath our tree instead of the bare ground. The boys are no longer allowed to hitch their horses here.

Great changes have been wrought in the old Senior Study furnished by 1918 and willed to the succeeding Senior Classes. The gray furniture with

the pink upholstery has gone. Peace be unto it. The good old colors over which we fought so bitterly at first but later grew to like as old friends have given place to the black and blue of 1921. In order to carry out the peacock colors, the furniture has been painted black and the upholstery is blue. Numerous new pictures adorn the walls and our costly gray rug has given place to several smaller ones. A floor lamp adorns the room, but as in "ye gude ole days" oil lamps are fashionable at night. The realization of many of our dreams has come true when we see a cheerful fire blazing on the andirons in the grate. We hear that the Freshmen are the hewers of wood. That's one thing we overlooked. With thirty-four Seniors in 1921 and as many in 1922, what a place that study must be. So greetings to all the succeeding Seniors who beautify our old study. You may make a much more artistic study but you can never have a haunt any more beloved than the pink and grey den famous for its general "hash parties" presided over by such spirits as C. de B., Cornelia, and Casey.

FACULTY NOTES.

Mr. C. T. Goode has received his Doctor's degree.

from Harvard and is again head of the English Department.

Miss Ruth Howland has received her Doctor's degree from Yale and has been given a fellowship to be used at any time.

Miss Mary Searle, formerly of St. Mary's, has again returned to Sweet Briar, where she will instruct in Mathematics.

Mr. Robert Dempster, formerly leading man with Miss Frances Starr, is at Sweet Briar writing plays. We are indeed fortunate to have him coach our plays. He is also giving dramatic lessons to many of the girls who are interested.

Miss Charlotte Hull has a studio in Carnegie Hall, New York, where she has been for the past two winters.

Dr. Mary K. Benedict, former president of Sweet Briar, is now practicing in Boston. Last Spring she spent a few days at the College on her way North.

OUR GREETINGS TO SWEET BRIAR'S DEAN.

Sweet Briar now has a Dean and the Alumnae wish to extend her their good wishes. Dr. Lummis, head of the Latin Department, is our first Dean. To the students in her classes she was an inspiration, teaching Latin in a real, live way, but to the College as a whole she has endeared herself by her clear, unbiased judgment in matters relating to the College management. We are indeed proud that Sweet Briar has grown so that it feels the need of a Dean and we know we are going to feel just as proud of the first holder of that office.
